Nestled in the rolling hills near Lake Texoma, Hidden Springs Winery began as a dream for Jim and Lela Banks in the early 1980's, as they started searching for acreage to begin planting their vineyards.

Hidden Springs' new winery and tasting room at Pilot Point is a study in Victorian warmth, beauty and charm with an ambiance of candlelight and romance. The facility features a massive turn-of-the-century oak bar, marble back bar and authentic Victorian decor.

In the Hidden Springs Gift Shop, an array of fine antiques is used to display unique gourmet food items alongside arts and crafts from some of Texas' most talented artisans.

The function room at the winery is available for teas, luncheons, receptions and other special events.

With estimated 1996 production of 2,500 cases, the winery is ever growing and Jim and Lela invite you to come share their dream at Hidden Springs Winery.

Whitesboro is a city where continued growth and development are expected and encouraged so that the city will always be bigger and better tomorrow than it is today. Shopping Facilities: Whitesboro is the shopping center of the west Grayson County area and it also serves the needs of Lake Texoma visitors. A variety of stores offer satisfaction to the most discerning shopper.

Whitesboro is a clean, wholesome, vibrant city...a city of homes, large and small, reflecting pride in ownership and pride of community. The Whitesboro area also offers a quiet country setting for horse and cattle ranchers, or those just wanting to escape the hustle and bustle of the big city.

Parks and Recreation: Included are the Jimmie O. Rector Community Center; six city parks featuring tennis courts, driving range, walking track, three soccer fields, four baseball/softball fields and a swimming pool. The Parks and Recreation Department also provides a large program of activities for all ages. Call for information, 903-564-5964.

Community Activities: Complete scouting programs as well as 4-H clubs are offered for both boys and girls. Churches sponsor many youth activities.

The Whitesboro Area Chamber of Commerce has sponsored the "*Annual Peanut Festival*" since 1965. This event, held on the 3rd Saturday of October each year features fun for the entire family. Parades, a summertime Sportsfest, an annual July rodeo and special city-wide trade promotions such as "Christmas in July" mark Whitesboro as a progressive city with community involvement.

Lake Texoma: Located 12 miles north of Whitesboro on Hwy. 377. Completed in February, 1944; 580 miles of shoreline. Surface area in acres at the top of the flood pool - 143,000; at the top of the power pool - 89,000. Annually the lake becomes a vacation destination to 10,000,000 visitors. The area offers a motel, a bed and breakfast, and several marinas and resorts as living facilities for the tourist and visitor. Outdoor enthusiasts can enjoy fishing, boating, camping, skiing and swimming, as well as hiking. Without a doubt, Whitesboro is the way to ... "Get away to the good life".

Lake Ray Roberts: Texas' newest lake was completed in 1986 and opened to motorized boating in January 1990. The lake contains 749,200 acre feet of conservation pool and covers a surface area of 29,350 acres. The lake offers excellent fishing for black bass, white bass, crappie and catfish, and is home to two state recreational parks.

Hunting and Fishing: Crappie, sand bass, black bass, Kentucky spotted bass, channel cat, blue cat, flat head cat and stripers have all been boasted about with catches of 20 pounds or more. 50,000 acres are open for public hunting around Lake Texoma with game such as whitetail deer, bobwhite quail, mourning dove, ducks, geese, rabbit and squirrel. Two national wildlife preserves are located near Lake Texoma.

Forty-four park areas for camping and swimming are located on Lake Texoma. Texas and Oklahoma have state parks nearby. Public boat docks with boat and motor rental, fuel, food and other boating supplies and services are available. There are several public and many private resorts for both the skier and swimmer. Some of the camping areas that have been developed by the Corps of Engineers include water parking areas, charcoal grills, picnic tables and trash containers.

Cross Timbers Hiking Trail begins at Juniper Point (just north of Whitesboro on Hwy 377 at Sherwood Shores) and goes west for 14 miles. The trail is well marked and has mile markers along the way.

Whitesboro Police responded to various reports of theft, public intoxication, domestic violence, and juvenile-related incidents during the week of June 9-16.

- **Dare Nolen** of Whitesboro PARD reported on 6/9 at 10:20 a. m., the theft of a green John Deere model 855 tractor and an attached 60-inch mower. The tractor and mowing equipment were taken from the area of the Field of Dreams baseball complex located on Fourth Street adjacent to Hwy 82.

- **Charles Alexander** reported on 6/9 the theft of a speaker box, valued at \$50.00 which was removed from his 1986 red Cavalier while the unlocked vehicle was parked near the intersection of Otis and Jordan Streets.

- **Officer Scott Taylor** arrested a 22 year-old **Sherman** on 6/10 at 4:03 a. m. in the 500 Block of East Main on charges of public intoxication. The man was later released after payment of fines.

- WPD responded to a domestic violence call in the 500 Block of Fourth Street on 6/10 at 8:38 p. m. Two victims were reported, a 20 year-old woman, and a two-year old child. The suspect, a 21 year-old Whitesboro male, was taken into custody on two

counts of domestic violence and was transferred to Grayson County Jail.

- **Officer Taylor** responded to the scene of a traffic accident involving three juveniles on 6/10 at 11:43 p. m., at the intersection of Otis and White Streets. Two girls, ages 14 and 12, who were reported to have sustained minor injuries, were transported from the scene by Rural Metro. The driver of the vehicle, a 14 year-old girl, was charged with no driver's license and failure to control speed. She was released to a parent.

- **Officer Mark Haning** arrested a 24 year-old **Sadler** man on 6/11 at 10:18 p. m., on outstanding Justice of the Peace Precinct 6 warrants of no seat belt and possession of drug paraphernalia. The man was released following the payment of fines.

- On 6/12 the WPD received information through the Grayson County Sheriff's Department concerning two male juveniles driving a stolen 1995 Ford Mustang, who were believed to be traveling on Hwy 82 West. Through the assistance of a local citizen, the vehicle was sighted at American Bank. Chief **Larry Macomber** and **Officer Sam Scott** took the two boys, ages 14 and 15, into custody after they made

Dear Ms. Roman,

It is my understanding that Robert S. Sullins is proposing to locate a FM broadcast radio station in Whitesboro, Texas. This station would bring future business and name recognition to our community and enhance future growth and development.

As Mayor of Whitesboro, I would support such a proposal. Whitesboro is a thriving community with diverse businesses, churches, organizations, its own local government, and governmental services. Whitesboro residents have tremendous pride in the community and consider it a good place to work, live and raise their children. From employment opportunity, good schools, to fine recreation and opportunities, Whitesboro has it all. These accomplishments are achieved in our own distinct way, preserving the good quality of life we all seek. Whitesboro has grown from a rural farming community to include more businesses and an increased population. As we near the next century, I and the city council recognize that this growth is continuing and that planning for the needs and growth of Whitesboro will be among our most important responsibilities.

A local radio station could be of benefit to Whitesboro and its residents and enhance the local community. Thank you for your serious consideration.

Sincerely,

Alfred Miller,
Mayor, City of Whitesboro

Dear Ms. Roman,

I am writing in support of Bob Sullins' petition to locate a FM radio station license in Whitesboro, Texas. This station would bring future business and name recognition to our community and enhance future growth and development.

The businesses and people of Whitesboro perceive themselves as separate and distinct from Sherman and Denison, Texas. Our growing community is not just a suburb or bedroom community for the larger communities in our area. We are the business hub for the Lake Ray Roberts and West Lake Texoma communities (25 mile radius). Whitesboro offers gracious small-town living while continuing to attract businesses and creating jobs. This radio station would only enhance our efforts in promoting Whitesboro and provide a new venue for advertising and promotion of Whitesboro, Texas and the communities around Lake Ray Roberts and West Lake Texoma.

I hope you will seriously consider Bob Sullins' petition because Whitesboro, Texas is the best location for a new radio station in North Texas. If you need further information about our community, please contact the Chamber office.

Sincerely,

A handwritten signature in cursive script that reads "Janis Crawley".

DECLARATION

I, Robert S. Sullins, under penalty of perjury do hereby declare:

1. I am the licensee of KMAD AM/FM, licensed to Madill, Oklahoma.
2. I have read the foregoing Comments and Counterproposal and the facts contained therein are true and correct to the best of my knowledge and belief.
3. I have visited Whitesboro on many occasions and have had discussions with residents of Whitesboro and community leaders concerning Whitesboro. It is clear from these discussions that residents consider Whitesboro to be a separate, independent city, apart from Sherman-Denison. In addition, many Whitesboro residents work in Whitesboro and rely on Whitesboro businesses for their shopping and recreational activities. Whitesboro is the center of their social activities as well.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief. Executed this 29 day of June, 1998.
